RESTRICTION RESPONSE

ASSISTANT COMMISSIONER FOR PATENTS  
WASHINGTON, D.C. 20231

SIR:

Responsive to the Restriction Requirement dated May 24, 2002, Applicants elect  
Group I, Claims 1-18, and further elect "species" I, Claims 1-18.

REMARKS

The claims in this case were restricted into four Groups. Applicants have  
provisionally elected Group I, Claims 1-18, for initial prosecution. The Restriction  
Requirement is traversed.

The Office Letter characterizes the Groups I and III as being related as "process of  
making and product made." Referring to MPEP §806.05(f), the Office Letter takes the  
position that the process of Group III could be altered yet still produce the claimed product.  
While not taking a position with regard to the Examiner's comments, Applicants submit that  
the statement in the Office Letter does not meet the requirements set out in MPEP §806.05(f).
